

ARTICLE 1 – INTRODUCTION

The City Council of Springfield hereby enters into a multi-year collaboration with TechNova Solutions to modernize its digital infrastructure. This agreement encompasses cloud migration, cybersecurity enhancement, and ongoing technical support. Both parties acknowledge the strategic importance of the engagement and agree to the terms outlined herein.

SECTION 2 – FINANCIAL TERMS

Following negotiations conducted throughout late 2023, the total contract value was established at \$185,000.

This amount covers professional services, software licensing, security monitoring, and allocated support hours.

Additional work not outlined in this document will require a separate approval process and may be billed separately.

CLAUSE 3 – CONTRACT PERIOD

The contractual period begins on Jan 1, 2024 and will continue uninterrupted until Dec 31, 2024 unless otherwise

terminated under the conditions specified in Clause 8. All deliverables must adhere to the delivery schedule agreed

by both parties and documented in Appendix A.

CHAPTER 4 – SERVICE OBLIGATIONS

TechNova Solutions will provide 24/7 monitoring, cloud management, quarterly risk assessments, and continuous IT

support. The City Council will ensure timely access to internal systems, documentation, and relevant stakeholders.

Both parties commit to cooperation in order to secure consistent operational continuity.
