

GreenHill Medical Center, seeking to standardize its software environment, entered negotiations with SoftWave

Technologies for a long-term Software Licensing Agreement. The discussions concluded with a multi-year arrangement

worth \$320,000. The licensing period commences on Mar 10, 2024, extending through Mar 10, 2027. This deal includes

enterprise licenses, system updates, and priority technical support for the hospital's digital systems.
